# International Workshop on Self-organization in Chemical and Biological Systems : Modeling, Analysis and Simulation

---

---

Date: 7th - 9th July 2009

Place: Shikon-Kan, Surugadai Campus (Tokyo), Meiji University

## Speakers :

D. Hilhorst (Paris-Sud University)  
F. Izsák (Eötvös University)  
M. Matsushita (Chuo University)  
H. Miike (Yamaguchi University)  
M. Mimura (Meiji University)  
Y. Nishiura (Hokkaido University)  
T. Ogawa (Osaka University)  
Z. Rácz (Eötvös University)  
T. Sakurai (Chiba University)  
K. Showalter (West Virginia University)  
I. Takagi (Tohoku University)  
A. Toramaru (Kyushu University)  
D. Ueyama (Meiji University)  
A. Volford (Budapest University)  
T. Yamaguchi (AIST)  
K. Yoshikawa (Kyoto University)

## Organizers:

M. Mimura, Y. Nishiura, D. Ueyama, T. Yamaguchi  
daishin@math.meiji.ac.jp

This conference is supported by :

JSPS Grant-in-Aid for Scientific Research (S), "Mathematical Theory of Nonlinear-Non-equilibrium Reaction-Diffusion Systems"  
Japanese-Hungarian Bilateral Research Program (Contract Number: JAP-06/2006).  
Meiji Institute for Advanced Study of Mathematical Sciences , Meiji University.  
Meiji University Global Centers of Excellence Program.
